ATTN: Responsible Individual for Speedway Locations

To Whom It May Concern,

Speedway LLC has recently had a change in management for the Environmental Compliance Manager position. We would like for the responsible individual for the following permits attached on the back to be changed to Eric Swaisgood. Currently, those permits show Toby Rickabaugh as the responsible individual who is not with our company anymore and needs to be changed to Eric Swaisgood.

Thank you for your attention in this matter. Should you have any questions, concerns and/or need any additional documentation, please do not hesitate to contact me at (937) 863-6513 or emswaisgood@speedway.com

Sincerely,

A handwritten signature in black ink, appearing to read 'Eric Swaisgood'.

Eric Swaisgood
